

## XLR8R's 50 Best MP3s of 2008

January 7 2009 • Text By Jennifer Marston

We put up tracks, you hit download, then we sent our data-collection elves out to find out XLR8R.com's most popular MP3s of 2008, according to our wonderful readers. While some obvious choices are here (M83, Hercules and Love Affair, Flying Lotus), our list does contain some surprises (Rainbow Arabia, Débruit, Neon Neon), a surprising amount of dubstep, and a whole lot of remixes. Now, let's hope everyone's had their fill of Lil Wayne for one year.
